Available from: Amazon

Epub ISBN: 978-1925139174

Available from: Your favourite ebook suppliers

Detective Sergeant Steve Keller has begun to see things.

He desperately hopes the visions mean something and not that he's going crazy.

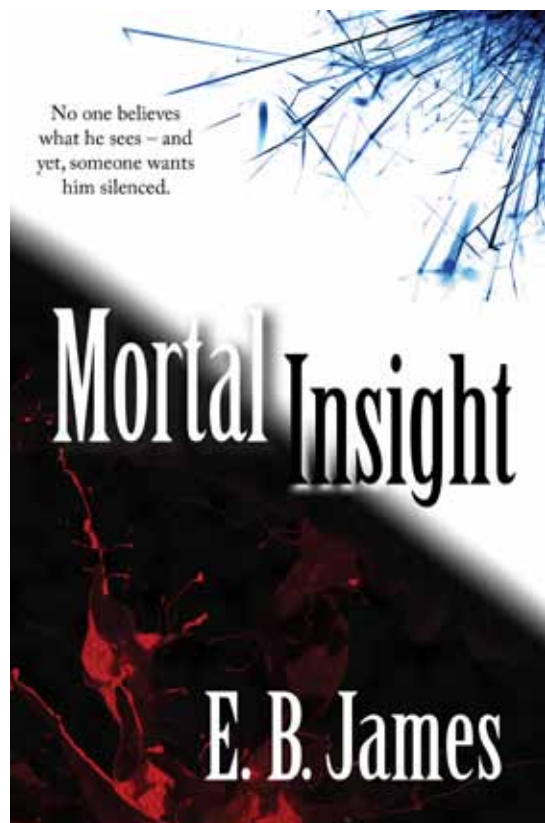

But the visions don't go away, and when they start meaning something more, Steve finds himself caught in an investigation way bigger than he ever imagined.

As the pieces begin to fit together, something dangerous emerges. He can't hide what he knows, but to expose it doesn't just stir up controversy, it provokes someone who lurks in the shadows; someone who will kill to keep this information quiet.

Mortal Insight, E.B. James new novel, brings you conspiracy, crime, action and asks the question: when your life is at stake, are some truths worth bringing out into the open?

Mortal Insight is the first novel by E.B. James, though not the first novel this author has released. E.B. James hails originally from South Australia, and considers herself country, though she has lived in various different cities for all her married life.

Mortal Insight involves legal, political and social ideas that are based on the South Australian model, but James hopes that the story will translate not only across Australian state lines, but international lines as well.
